

# IT SPECIALIST IN SYSTEM INTEGRATION (M/F/D)

You are curious and interested in technical systems and computer science. You like to take on a challenge, even if it's a bit tricky to get to the heart of the problem. You are familiar with information security and would like to learn more about network administration. When you hear the word "technology", your eyes light up with enthusiasm. You like to tinker with hardware and look inside. You like to support your colleagues with questions and problems concerning the system. You are also characterised by analytical thinking and a structured and organised way of working. If you are also at least 18 years old and have a class B driving licence, then you simply have to apply!

## YOU CAN EXPECT

Flexible working hours that fit in with your life

A employee café as well as a cafeteria for refreshment and exchange of ideas

Training and development opportunities through our experts in the LANG ACADEMY

Charging stations for your e-mobility

A day care centre for your children

Sports facilities such as a gym and company bicycles
